

Tuition Schedule 2011-2012

Registration: The registration fee for all students is \$150 if paid on or before March 11, 2011. For those enrolling after March 11, 2011, registration is \$300 per student.

Tuition: Tuition is payable either in full by July 1, 2011 (for a \$150 discount) or on an 11-month payment schedule beginning in July 2011 and ending in May 2012. All monthly payments are due by the 10th of each month, and payments received after the 10th of each month will be assessed a \$20 late charge per student unless prior arrangements have been made with the administration. After two months of non-payment, a student is not allowed to return to class until payment is made or unless arrangements have been made with the administration and/or approved by the board.

Refunds: Veritas Academy hires and plans financially during the spring and summer of each year, committing resources for the following year. For this reason, we must make our tuition/fee payments non-refundable to encourage commitment, even if a student has been withdrawn or expelled.

Financial Aid: Veritas Academy is committed to providing a classical Christian education that is financially accessible to families. We are also committed to assisting families who are unable to afford the full tuition of the school yet who desire for their children to benefit from a Veritas education. For this reason, certain funds are set aside each year for financial aid. If you foresee a need for financial aid, please contact the office for more information.
